

Summer 2010

*Celebrating thirty years of "Change, Not Charity."™
Celebrando 30 años de invertir en el cambio social, no en caridad*

Dear Friend of the FUND,

On Sunday, September 19th the FUND FOR SANTA BARBARA will hold its **seventeenth annual "Bread & Roses"** community celebration and fund-raiser at QAD Headquarters on Ortega Hill in Summerland!

For the past thirty years the FUND FOR SANTA BARBARA has been at the forefront of responsive and progressive philanthropy in our community, distributing nearly \$4 million to grassroots groups working for social justice, racial equity, economic renewal and a healthy environment. The proceeds from **"Bread & Roses"** provide the backbone for the FUND's grant-making and technical assistance programs each year.

Thanks to the generosity of community members like you, **"Bread & Roses"** has been an increasingly successful fundraiser over the past decade. In 2009 over 600 supporters gathered to celebrate the work of Santa Barbara County's progressive community organizations. The evening included fine food and wine from local restaurants and vintners, as well as an auction of over 200 donated items! We raised more than \$150,000 and made many new friends in the process.

We are writing to ask you to contribute to this year's event by donating an item or gift certificate for our auction. You may do this by filling out the enclosed form and mailing it back to us in the envelope provided. We would be happy to pick up your gift or you may deliver or mail it to our office. We will send you a receipt with our THANKS for your tax purposes.

To show our appreciation, all of our contributors will be listed:

- In our **"Bread & Roses"** invitation (for contributions received by Friday, July 30th)
- In our **"Bread & Roses"** event program
- On a HUGE poster at the event
- In our newspaper "Thank You" display ad

Thank you for your consideration. We hope you'll personally join in our community celebration on September 19th. We look forward to seeing you there!

If you have any questions, please call the FUND office at 962-9164.
